The Trees Estate Residents Association has been inactive since the demise of Gez Watson.

The activities run under the blanket of the estate are a Tea and Chat group which meets at Bersted Green Learning Centre every Tuesday. This group still meets and all are welcome, they also do have Bingo sessions.

The Keep Fit Group also were at Bersted Green Learning Centre every Friday until Christmas 2017 when the instructor felt the center was not big enough as the group was growing in numbers. She then decided to find a larger venue and take over the group herself. They now meet at the Holy Cross Church hall every Friday.

After a great deal of time it appears that we shall have a new Chairman and he has arranged a meeting to get the ball rolling early in April. He is being supported by Julie Hoggart from Arun District Council. He has some ideas so watch this space.

The estate also appreciated the support of Bersted Parish Council with activities during the summer holidays.

Jim Heaton

Honorary Treasurer

Bognor and Bersted United Charities

Bognor and Bersted United Educations Charities

The members of the two charities meet every six months to review their activities

The charities accept applications then as a whole decide whether or not to give a grant.

Most applications are successful and each applications is considered carefully, it is not a forgone conclusion that an application will result in funding.

We always look at new applications but sometimes applications are thin on the ground.

We would welcome mo√e applications.

Jim Heaton.

Bersted Parish Council representative.
